## High Performance Parts

### HP footrest system

With its carefully-thought-out geometry, the HP footrest system offers 6 positions, enabling it to be adapted to the needs of the rider. Passenger footrest system available to match.

### HP gearshift assistant

For that unbridled race feeling: shift up without shutting off the gas or touching the clutch. Also available as a factory fitted option.

### HP carbon front mudguard

The HP carbon front mudguard replaces the black standard one. As with all other carbon parts, it highlights the K 1300 S's sporty, sophisticated look.

## Storage options

### Sports panniers

Complement the narrow silhouette of the K 1300 S and accentuate the sporty appearance; size steplessly adjustable (17 – 25 l) and can be fitted and removed in seconds.

### Luggage grid

More space for sporty journeys. The luggage grid also has enough space for large items of luggage or the sports soft bag for even greater touring comfort. Also available as a factory fitted option.

### Tankbag

Both the welded interior of the tankbag, which can hold up to 19 l, and the large map pocket are waterproof.

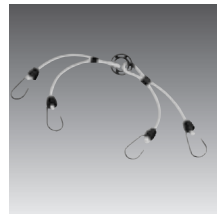

### Soft bag 2, small

With a volume of 31 l and a capacity for a further 5 l, the soft bag offers plenty of additional storage space. It features a waterproof main compartment made from sturdy, easy-care material and can be secured to the luggage grid or the pillion seat with easy-to-operate securing locks.

### Luggage roll 2

Sturdy, waterproof luggage roll with stable, removable base structure and a volume of 50 l. Diagonal zip fastener for convenient access and reversible outer pocket with one-sided reflective material.

### Luggage spider

Elastic bungee cord with Nylon covering. For the safe securing of individual items of luggage.

## Sound components

### Akrapovič sports silencer

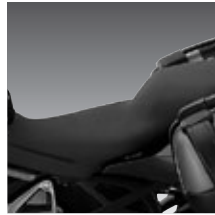

Made entirely by hand from titanium and carbon, this slip-on silencer features a robust sound and a low weight (1.5 kg).

## Ergonomics and comfort options

### Tinted windshield

Accentuates the sporty appearance of the K 1300 S and appreciably reduces the wind pressure on the upper body.

### Low seat, black

A 790 mm seat height makes mounting and handling easier. Also available as a factory fitted option.

### Heated handlebar grips

Warm hands feel good. The heated grips, which have two settings, ensure that hands and fingers stay warm. Also available as a factory fitted option.

## Navigation and communication components

### BMW Motorrad Navigator IV

Where am I, where do I want to go and what's the quickest way to get there? Questions that come up time and time again, and can be answered very easily: with the BMW Motorrad Navigator IV. Easy to install, it's the ideal GPS navigation system.

\*1 Fitted and enabled by a specialist workshop, ideally your BMW Motorrad dealer
